To Whom It May Concern,

You have asked about the possibility of being married at Door Creek Church. We thank you for considering us in this important process. You will discover (if you haven't already) that our staff cares deeply about your future wedding and even more for your marriage.

Marriage preparation at Door Creek Church includes the use of the PREPARE inventory, an assessment tool exploring backgrounds, expectations, relational skills and issues. From the Bible we explore God's design for the purpose, health and protection of marriage. The preparation normally consists of six 60-90 minute sessions with homework interactions. We will also do our best to match you to a mentor couple to come alongside you and encourage you as you embark on this journey.

Attached to this cover letter are some informational documents. The Door Creek Church Wedding Guidelines document addresses your wedding request from the pastoral side, while the Wedding Request and Application Forms address your wedding request from the facility arrangement side.

Please return the completed forms, and then make an initial appointment with the officiating pastor and wedding hostess, and upon their approval and the payment of indicated fees, a date for your wedding will be scheduled on the church calendar.

If you have any questions, please feel free to call me at 222-8586.

Sincerely,

*Cal Steiner
Pastor of Marriage and Family*
